Webinar:

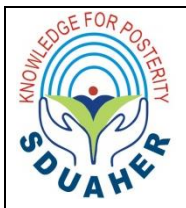

CDE programme an “Overview of Mucormycosis – the raging epidemic”

State level CDE programme an “Overview of Mucormycosis – the raging epidemic” was organized by Departments of Dentistry and General Surgery in Sri Devaraj Urs Medical College on 23-06-2021.

In view of an on-going countrywide surge in mucormycosis infections and a number of patients reporting to the Dental Department of RLJalappa Hospital, this webinar intended to highlight the clinical manifestations of this potentially fatal condition with specific emphasis on early detection.

The event was conducted on Zoom platform in Physiology AV hall from 2.00 to 3.00pm. This event was attended by The Principal, HoD, HoUs, Faculty and PG students of Dept. of General Surgery and Faculty of Dental Dept.

National Dentist Day 6th March 2022

Department of Dentistry, RLJH& RC, Tamaka, Kolar, observed National Dentist Day on 6th March 2022. To commemorate the occasion the department organized a Guest lecture titled “Dentistry - A private practitioners perspective” by Dr Vijai Jeevan, BDS, Associate Fellow AAID, Diplomate ICOI, on zoom platform.

A Dental health screening camp was conducted at the Higher Primary Government School, Tamaka. Over 120 students were screened and free samples of tooth brush & toothpaste were distributed. A talk regarding general awareness about importance of oral hygiene and maintenance of good oral health was given by Dr Harshitha.K.R to the school children. The Principal of the school was informed about the dental condition of the children and to utilize facilities of the dental department at R.L.J.H&RC.

Title II: Value added Course on “Tobacco Cessation”

Department of Dentistry at Sri Devaraj Urs Medical College had organized a value added course on tobacco cessation on 20th and 21st of April 2022. This course aimed at training participants to support individuals in their journey to quit tobacco. A series of lectures were conducted by department faculty and also external faculty from ICanCare Academy.

Competitive group activities and role play were part of the 2 day event. 38 students from various streams of AHS attended the course. The course was well received with positive feedback from all the participants.
